

~ WDMCS / HSAP 2023-2024~  
ART from **CRAVEN'S CORNER**

***Listed below you will find some ways to integrate more ART Education within your family homeschooling as well as small or larger groups of homeschoolers. Below you will find a sampling of websites, videos, artist ideas, as well as some of Mrs. Craven's picks for music to listen to while creating art. Enjoy and feel free to reach out to Mrs. C anytime. ([cravend@wdmcs.org](mailto:cravend@wdmcs.org))***

**SOME WEBSITES TO EXPLORE:**

**I CREATE ART**

[Homeschool Art Curriculum -Art Kits And Art Supplies](#)

<https://icreateartbox.com/collections/homeschool-art-series>

I CREATE ART is a compilation of resources available to all yet may be just the thing for one who is homeschooling and would like to pump up their visual ARTS education at home. Art kits are available in collections and bundled with a price range from \$75 - over \$200 depending on your needs. Materials may be used in groups or tailored to individual students. I found this to be an interesting resource. Check out the website listed above~

**ORGANIZED HOME + SCHOOL**

[9 Really Fun Online Art Classes for Homeschoolers - Organized Home School](#)

<https://organizedhomeschool.com/online-art-classes-for-homeschoolers>

This website shares online ART class opportunities which range from free to paid and include options for young kids all the way through high school. There may be some great finds with this source for homeschoolers to scroll through and select those which work for their families. Here, you will find options for visual arts as well as theater and more.

**HOMESCHOOL IN A BOX**

[Art History Art Box](#)

<https://www.homeschoolinabox.com/shop/p/art-history-art-box>

The “box” which homeschool programs may purchase contains ART HISTORY reference materials, access to videos, some art supplies, and art project lesson ideas which focus on famous artists. In addition, there are other themed boxes available with this site across the curriculum areas such as Science, History, Writing, Vocabulary, and Weekly Crafts. The units claim to be “Open and Go.” I noticed that the Art History “box” sells for \$120.

[Art Curriculum for Kids - Life in the Nerddom](https://lifeinthenerddom.com/)  
<https://lifeinthenerddom.com/>

“Mrs Nerfer’s” internet based compilation of Art Education based resources seems to have a little of something for everyone. The Main tab categories are Family life, Homeschool, Spiritual life, as well as her own Online shop. Embedded in her numerous resources you will find the Art link: Check out [Free Art Curriculum for Kids - Life in the Nerddom](https://lifeinthenerddom.com/) Free YouTube arts lessons are listed as well as Websites and a multitude of Free Resources for you to peruse. I was very interested in this extensive and multi-scaffolded listing looking at ways to introduce ART to children.

### **Arttango**

[Arttango](#) features completely free art lessons for students in [kindergarten](#), [1st grade](#), [2nd grade](#), [3rd grade](#), [4th grade](#), and [5th grade](#). Each grade level includes 30 art education projects. This may be a source worth exploring.

### **Some examples of online VIDEOS available and free to watch**

[Art With Trista - YouTube](#)

Artwithtrista.com

Step by step art tutorials created by an art teacher with over 20 years experience teaching everything from kindergarten to high school. Trista created this channel to share the lessons she has created for her students. I am inspired by her style of presentation.
